

REMARKS

Claims 1 and 3-18 are in the application and are presented for consideration. By this amendment, Applicant has rewritten claim 1 to include the features of allowable claim 2. It is Applicant's position that claim 1 and claims depending thereon are now in condition for allowance. Claim 8 has been rewritten to include the features of claim 1 such that it is now allowable. Applicant attaches the necessary Government Fee for the one additional independent claim above three.

The drawings have been objected to. Applicant has now proposed drawing changes to address these issues.

Claim 12 has been rejected as being indefinite. Applicant has clarified the claim to remove the issue of indefiniteness.

All claims are now believed to be in condition for allowance.

Favorable action is requested.

Respectfully submitted
for Applicant,
